

# Which Door Did They Choose?

When you receive a PDF you may not know which side they clicked on in CommonHelp in order to apply. For MA this is important because you would need to know if the resource questions were asked.

The Health Care Only side is used for individuals applying for MAGI covered groups (which do not have a resource test). If an individual applies through the Health Care Only selection, this is how it appears on the PDF:

People in your Home - Corn U Copia	
Personal Information	
First Name	Corn
Last Name	Copia
Middle Initial	U
Suffix	
Date of Birth	01/01/1990
Gender	Male
Programs Selected	Medical Assistance

The All Benefit Programs side is used for individuals applying for any combination of SNAP, TANF, MA (ABD, F&C, MAGI, or Non-MAGI), Child Care and EAP. If an individual applies through the All Benefit Programs selection, this is how it appears on the PDF:

People in your Home - frieda evans	
Personal Information	
First Name	frieda
Last Name	evans
Middle Initial	
Suffix	
Date of Birth	08/13/1983
Gender	Female
Marital Status	Single-Never Married
